ATLAS ROOFING INTERNATIONAL LIMITED SHINGLE WARRANTY

LIMITED SHINGLE WARRANTY

ATLAS ROOFING CORPORATION (“ATLAS”) warrants to you, the original owner of its shingle products, that this product is free from manufacturing defects, which result in leaks during the applicable warranty period. This warranty is effective on all product types stated herein and installed outside the United States and Canada on or after 7/1/2020.

LIMITED WARRANTY PERIOD ▶

Your ATLAS shingles qualify for a limited warranty (as listed in the chart below) when properly installed in accordance with the product’s application instructions (as provided on the product packaging).

PRORATED LIMITED WARRANTY PERIOD ▶

During the warranty period, ATLAS will adjust valid claims (product materially affected by a manufacturing defect, which result in leaks), by an amount determined by decreasing monthly the replacement cost of the product in proportion to the unexpired warranty period. To reflect the percent of use you have received from your shingles, the warranty calculation will be made by dividing the number of months that have elapsed since installation by the number of months in the warranty period. If applicable, the StormMaster® Slate, StormMaster® Shake, Pinnacle® Pristine, ProLam™ Lifetime Limited Warranty proration after the 45th year or 540th month of installation will have a 10% proration factor for the lifetime of the original owner (see LIMITATIONS AND RESTRICTIONS FOR THE LIFETIME LIMITED WARRANTY). In no event shall ATLAS’ liability extend to any cost for the tear-off of the product or for the replacement installation cost of the new product during the prorated period.

LIMITATIONS AND RESTRICTIONS FOR THE LIFETIME LIMITED WARRANTY ▶

ATLAS will provide the homeowner who initially purchases StormMaster® Slate, StormMaster® Shake, Pinnacle® Pristine Shingles, or ProLam™ with a warranty that last the lifetime (lifetime meaning the lifetime of the original property owner, not the roof).

The lifetime coverage offered by this warranty automatically ceases/ends upon the sale of the property or the death of the last of the property owners who owned the home at the time of the application.

The lifetime limited warranty option is only available for individual single-family site-built detached residences. A 50 year limited warranty would apply to all property owned by government agencies, corporations, limited liability companies, partnerships, trust, religious organizations, schools, or school districts, condominiums, or cooperative housing arrangements, or installed on apartment buildings or any type of building or premises not used by individual homeowners for a single-family site-built detached residence.

LIMITATIONS OF REMEDIES AND LIABILITY ▶

This limited warranty is the sole and exclusive remedy provided by ATLAS for shingles containing manufacturing defects, which result in leaks. For those shingles containing manufacturing defects, which result in leaks, your maximum remedy is outlined herein under the sections entitled **Prorated Limited Warranty**

Period. The decision on which of the stated remedies is provided to an original owner in each individual case shall be at the sole discretion of ATLAS. ATLAS will calculate the appropriate percentage as stated herein under (**Prorated Limited Warranty Period.**) ATLAS, wherever possible, shall replace shingles with shingles of the same color and design; however, since color variances exist between shingles manufactured at different times and since ATLAS may discontinue or modify its shingles, ATLAS reserves the right to replace defective shingles with shingles of similar color and design.

IN NO INSTANCE IS ATLAS RESPONSIBLE FOR SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES. THE DURATION OF ANY IMPLIED WARRANTY IS HEREIN LIMITED IN DURATION TO THAT OF THE EXPRESS WARRANTY STATED HEREIN.

SOLE WARRANTY ▶

THE LIMITED WARRANTIES SET FORTH HEREIN ARE EXCLUSIVE AND LIMITS AS TO DURATION ALL OTHER WARRANTIES WHETHER EXPRESSED OR IMPLIED BY LAW INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE TO THE TIME PERIODS STATED ABOVE. ATLAS MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND, OTHER THAN THE LIMITED WARRANTY SET FORTH HEREIN. THIS LIMITED WARRANTY CONTAINS ALL OF THE PROVISIONS OF YOUR REMEDIES FROM ATLAS. ATLAS’ LIABILITY IS LIMITED TO THE PROVISIONS OF THIS LIMITED WARRANTY, WHETHER ANY CLAIM AGAINST IT IS BASED UPON STRICT LIABILITY, NEGLIGENCE, BREACH OF WARRANTY OR ANY OTHER THEORY OR CAUSE OF ACTION. NO PERSON IS AUTHORIZED TO ALTER THIS LIMITED WARRANTY EITHER ORALLY OR IN WRITING. SOME COUNTRIES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

WIND LIMITED WARRANTY ▶

(Covers shingles only) ATLAS warrants that its shingles will resist damage by wind gusts up to a maximum wind speed as indicated in the Warranty Details chart provided that the shingles have been installed in accordance with the printed and illustrated application instructions on the shingle bundle wrapper, and have had the opportunity to seal down. If during the Wind Limited Warranty period, indicated in the Warranty Details Chart, damage occurs to the shingles as a result of wind gusts under the specified Wind Speed Limits, ATLAS will compensate the prorated cost of replacement shingles for the damaged shingles only, replacement shingles for the damaged shingles only, but not for replacement labor. The coverage against wind gusts as described above is 5 years for all shingles from the date of installation.

ASTM D 7158, Class H Wind Resistance, Passed to 150 mph

ASTM D 6381, Uplift Resistance

ASTM D 3161, Class F Wind Resistance, Tested at 110 mph

SEALANT FEATURE ▶

In order to activate the sealant feature, the shingles must be exposed to direct sunlight for a continued period of time for the shingles to seal. Shingles installed in fall or winter and not exposed to adequate surface temperatures, or other conditions, which temporarily or permanently preclude activation of the sealant, may never seal and must be hand sealed at the time of installation. It is not a manufacturing defect if shingles fail to seal under the above circumstances, and Atlas will not be responsible for repair, replacement, or hand sealing shingles under these circumstances. However, in the event the shingles fail to self-seal after proper installation and climactic exposure, and Atlas is notified within the first year after installation, ATLAS' sole responsibility shall be to pay a reasonable cost to hand seal the affected shingles.

ALGAE RESISTANCE LIMITED WARRANTY ▶

(If applicable) ATLAS warrants that its algae resistance shingles (**those with the "ARS" or those "featuring Scotchgard Protector" designation**) will remain free of obvious and unsightly black streaks due to blue-green algae growth for a period of ten (10) years from the date of installation for shingles that are installed in a "Temperate" Zone and 5 years if they are installed in a "Tropical" Zone. A "Temperate" Zone includes those areas between the Arctic Circle and the Tropic of Cancer and the Antarctic Circle and the Tropic of Capricorn. The "Tropical" Zone is any area other than the "Temperate" Zone. In the event the algae resistant shingles fail to meet this coverage, the maximum cost to Atlas shall be, at its option, the cost to clean or replace only those shingles exhibiting algae discoloration, in proportion to the unexpired warranty period, excluding all installation costs.
